 - EUCPT
- EHRC contribution and complementarity

> 300 million items offered through the UCPM

Awareness Sector. Sources: DG ECHO, DG HOME, GISCO, UNHCR. It may not be shown on this map do not imply official endorsement or acceptance by the EU. In line with UNSCR 1244/1999 and the ICJ Opinion on the Kosovo Declaration of Independence.

Cooperation with ECS

- EU Commission received several requests from UA for the supply of goods in the energy sector;
- Commissioners LENARCIC and SIMSON agreed to join forces and associate the UCPM to channel eventual offers of assistance and support the delivery to UA;
- The UCPM provided a framework for the channeling of offers in the energy sector;
- Energy Community – DG ECHO cooperation: channeling offers from private companies in the energy sector.
